HOSTED BY:

APWA 2012 Congress at the ANAHEIM CONVENTION CENTER - Not just an EVENT, but a DESTINATION

Each year, APWA brings together more than 10,000 public works professionals from across the globe for premier training and education at the APWA National Congress - also known as "The Best Show in Public Works." Attendees experience all the latest equipment, new and existing technologies, the latest in concrete equipment, technological advances, enhanced services, and demonstrated professional engineering, architectural and planning expertise. Attendees receive and explore state-of-the-art and new equipment impacting our businesses, organizations, and communities. Congress also delivers hundreds of critical sessions providing new and better ways to do business.

Let's Meet at Anaheim by:

- Increasing the Construction Knowledge
- Team Building
- Maintaining & Safety Expenses
- Fun

Come to the Best Show in Public Works at APWA 2012 Congress in Anaheim. You will have fun, get the latest in equipment, and work with us to share your knowledge.
